### Parent & Child Gardening session Friday 30th June 2023

There will be another parent and child gardening session after school on Friday 30th June 2023. It would be lovely to see as many parents and children as possible,

### Last week of Term

Just a reminder as from the 17th July there will be no wrap around club or Nursery due to the major building works. Pick up and drop off will be at Plovers field (top end of field). Please ensure your children use the toilet before coming to school for the trips as we will not have access to those in school.

### Parking and driving at school drop off and pick up times.

Please can we ask all parents and carers to drive and park responsibly around the school. We have had reports of cars parking by the school field gateway causing an obstruction.

If cars are left on the grass verges and parked on the double yellow lines it makes driving along the road almost impossible and very dangerous.

Please drive and park responsibly around our school for the safety of the whole school community and of the wider community.

## 'WORD OF THE WEEK'

Years 5 and 6 are exploring rare words in the English. Each week, a 'Rare Word of the Week' will be discussed in class and the children will be challenged to see if they can add it into their writing or use it in conversation. We would like to invite you all to join in at home!

Yr 5 and 6 matutinal

Adjective: The matutinal chorus signalled the awakening of the birds outside my window.

The word comes from Matuta, the Roman goddess, referred to by the Latin poet Lucretius as the goddess of the dawn. It has the same root as the French word matin, meaning morning, and thus morning theatre shows—matinees.

## Parent Pay outstanding balances

Polite reminder that if you have any outstanding balances on ParentPay for either school dinners or wrap around club these must be paid off by the 23rd July 2023. The system will be closed down for the start of the new term in September. If you have any problems with paying for these items, please come into the school office and speak with me so we can work out a payment plan.

Thank you  
Tracy Kapp

### **The Boy in the Tower by Matilda Year 6**

I recommend this book because it is a really enjoyable book to read. You don't know what's going to happen so you are asking questions along the way. At first you don't think it's going to be a happy ending, but it does end happy. I have really enjoyed reading it and I would recommend it to children in Key Stage 2.
