Aspirations Week - Monday 12th June 2023

This year we will be celebrating Aspirations week commencing Monday 12th June.

During Aspirations week we will be inviting members of the local community from all types of professions into school to help inspire your children, the next generation.

As a celebration of this we invite the children to come dressed as the job/profession that they aspire to be on Wednesday 14th June. We would like children to research their chosen profession so they recognise what is involved in achieving this, please be mindful of this when choosing costumes.

Please note fantasy/superhero costumes are not appropriate in this instance.

WELL DONE

'WORD OF THE WEEK'

Years 5 and 6 are exploring rare words in the English. Each week, a 'Rare Word of the Week' will be discussed in class and the children will be challenged to see if they can add it into their writing or use it in conversation. We would like to invite you all to join in at home!

Yr 5 and 6 mellifluous

Adjective: pleasing and musical to the ear

The mellifluous sound was so real to her that she could close her eyes and picture it as a smooth flow of gently coloured strings.

'Talking Lunches Oracy at Sithney'

To help develop our children's oracy skills we are developing activities to encourage the children to build their skills in speaking and listening. There is a clear connection between a child's language ability and attainment at the end of Key Stages. For this reason we are introducing "Talking Lunch" on Tuesdays. The children will be given an open ended question to talk about and debate during their lunch session. We will put the question for the week on each newsletter in the hope that you can discuss it at home over the weekend before our lunch; helping to develop your child's understanding, vocabulary choices and sentence formation. Our question for our "Talking Lunch" for next week will be :

If I gave a beggar some money, would that only encourage him to keep begging??

Summer Reading Challenge

Your child is invited to sign up for this year's **Summer Reading Challenge**. Sign up at your local library

What is the Summer Reading Challenge?

The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy anything they like to read! Children aged 4-11 are invited to set a reading goal, and collect rewards for their reading.

It's **FREE** to take part, and last year 75% of children taking part improved their reading skills over the holidays.¹

Why should my child sign up?

They will be **better prepared to return to school** in the autumn.

The Challenge **supports the move into a new year group**.

Becoming more independent in their reading boosts children's **confidence and self-esteem**.

The library provides **free access** to books and fun family activities all through the summer.

Library staff are on hand to offer support and book recommendations.

Your child will be part of a UK-wide programme developed by [The Reading Agency](#) and delivered in partnership with the [public library network](#).

How can my child take part? (Library OR online)

In the library. Visit your local library and sign up. Your child will:

Set a reading goal for the summer and borrow and read books, eBooks and audiobooks. Your child can choose anything they like to read!

Receive a Challenge folder and collect special stickers and rewards for reading.

OR

Online. Take part online at summerreadingchallenge.org.uk

Sign up on the [official Challenge website](#).

Set a reading goal and get tips for accessing books for free at home.

Unlock digital badges and online rewards, including a printable certificate.

Book Review written by Ella P - Year 6

A Pinch of Magic - Michelle Harrison

"I recommend this book because of the mysterious stories and the events that make the reader want to read on. It's a very interesting book and I would recommend this text to children in Years five and Six because it can be quite tricky to read in places.
