Over the course of half term, the Trust will be moving Management Information Systems, from the current SIMS system, to Arbor. Whilst we hope this will be a relatively seamless transition, there will invariably be some teething problems for a short time after half term and we ask that you bear with us during these initial few weeks. Many thanks

School Christmas Production

The school Christmas production will be Monday 16th December at the Lite and Life centre in Helston. We will let you times and further details in the near future.

Can we please ask that children are dropped off outside the classroom in order to make the transition from home to school easier.

We have some reported cases of nits in school. Could we please ask parents / carers to be vigilant and to treat as appropriate if found. A link to the NHS website on how to treat and further information can be found here:

Garden Club Potatoes

Gardening club harvested the potatoes on Monday and each member of the club took a potato home to eat.
