Just a reminder to parents and carers that students should be completing Maths Whizz homework regularly. As part of our monitoring, we are noticing that some students are doing little, or no homework at all. This homework supports classroom learning, so is very important. Thank you—Miss Neil

Please can we ask parents and carers not to allow students to climb over the hedge or gate, into the school field to play after-school. Many thanks

VE Day at Sithney—Friday 23 May 2025

Sithney school kicked off the start of half term with a VE Day celebration to mark the 80th anniversary of the end of the Second World War in Europe. Students came dressed as pilots, land girls and evacuees and more. We listened to 1940's music, played 1940's games and enjoyed a street tea party for lunch. A great day was had by all. Thank you to all our parents and carers for your support with this day of celebration.

SUGAR REDUCTION: THE CHARTWELLS STORY

DID YOU KNOW? CHILDREN ARE EATING 2 TIMES MORE SUGAR THAN THEY SHOULD*

Fuelling pupils with nutritious and delicious food is our number one priority. We are committed to meeting the School Food Standards and promise that our menus will never include banned sugary snacks or drinks, which typically account for half of children's sugar intakes.

As advocates of the Public Health England sugar reduction programme we are proud to have gone beyond the 20% reduction targets in all categories for recipes on our menu.

OUR NEW SPRING/SUMMER 2025 MENU HAS ACHIEVED A 61% REDUCTION IN SUGAR ON OUR DESSERT LINE!

OUR CHOCOLATE
BROWNIE
CONTAINS OVER
50% VEGETABLES

OUR AMBITION TO REDUCE SUGAR HAS BEEN ACHIEVED BY:

- Reformulation of popular recipes to reduce total sugar content
- Reduction in portion sizes of high sugar items, staying within the School Food Standards portion guidelines
- Working with suppliers to reduce sugar content in products
- Innovative development for new desserts
- Analysing menus year on year to ensure reduced sugar content
- Raising awareness of sugar consumption through a range of nutrition education initiatives

DID YOU KNOW? OVER 50% OF OUR PRIMARY MENU DESSERT RECIPES CONTAIN FRUIT OR EVEN VEGETABLES!

Chartwells' pledge to reduce the sugar in children's diet doesn't end there! Our nutrition team are also on hand to deliver nutrition education sessions, supporting children to understand how to make their own balanced dietary choices, to best prepare children for a healthy life beyond the school gates. For further enquiries or bookings, please contact your local Chartwells manager or email: Chartwells.CSU@compass-group.co.uk

For more information on our sugar journey please contact: menu@chartwells.co.uk

THE FACTS

- Excess sugars linked to tooth decay, obesity and type 2 diabetes
- Free sugars add calories to diets without nutritional benefit
- Harvesting sugar beet is using prime agricultural land - a crop which we should be eating less of
- Reformulation has the potential for a huge, positive impact on our food system and health

ALL CHARTWELLS SCHOOL DESSERTS ARE...

✓ School Food Compliant

✓ Achieved over 61% reduction in total sugars since 2016

✓ Tasty and delicious

✓ Over half contain fruit or vegetables
